

## Data Management

*a Responsible Conduct of Research Training*

Presentation by Robert Kranz, PhD  
Professor, Department of Biology  
Washington University in St. Louis

Tuesday, May 2, 2017

12 - 1 p.m.

Seigle Hall, Room L006

([parking map](#) & [parking reciprocity information](#))

Dr. Robert Kranz will provide a one-hour, face-to-face presentation on responsible conduct of research (RCR) related to data management. Topics that will be discussed include: laboratory and other record keeping, record timeliness, data access, and more.

### RCR Training Requirements

This one-hour event will help fulfill the RCR requirement for both NSF and applicable NIH awards.

- **NIH** - Undergraduates, graduate students, and postdocs on NIH training grants, career awards, or fellowships are required to receive 8 hours of RCR education.
- **NSF** - Undergraduates, graduate students, and postdocs on any NSF award are required to receive 1 hour of face-to-face education per year (in addition to one-time completion of the online PERCSS curriculum).

### How to Register

Seating is limited, **registration is required**. Registration deadline is May 1.

Step 1) Click this [Responsible Conduct of Research Training link to Learn@Work](#), and enter your WUSTL key.

Step 2) Click the green "Enroll" button.

Step 3) A registration confirmation box will appear indicating you have registered. Click close (or print if desired).

Step 4) Your Learn@Work training plan will now indicate you are registered for the RE - Responsible Conduct of Research Training (on your ME Page).

For questions or additional information please contact Danica Johnson, [danica.johnson@wustl.edu](mailto:danica.johnson@wustl.edu) or (314) 747-5574.

*This RCR event is sponsored by the Office of the Vice Chancellor for Research.*
