

Siteman Investment Program

2017 Cycle 1 - Request for Applications (RFA)

Purpose:

The Siteman Investment Program (SIP) funds internal cancer-related research projects biannually. This pilot funding is designed to support investigators in producing preliminary data that will provide the basis for future NIH or other nationally competitive funding. The 2017 Cycle 1 is open. For details, see the attached RFA.

Mechanisms:

- Pre-R01 for WUSM faculty: \$200,000 over 2 years
- Pre-R01 for SLU Consortium faculty and WU Danforth Campus faculty: \$200,000 over 2 years
- Multi-PI Pre-R01: \$400,000 over 2 years
- Pre-SPORE/PPG: \$800,000 over 2 years

2017 SIP Cycle 1 Deadlines:

Statement of Intent: March 1, 2017 by 4:00pm CST
Full Application: April 3, 2017 by 4:00pm CST
Award Start Date: July 1, 2017

Application guidelines and forms can be found on the [SIP website](#).
