

NORTHWEST TOWER (NWT)

The eight-level Northwest Tower opened in September of 2006. This 200,000-square-foot facility provides faculty and staff office space atop the St. Louis Children's Hospital garage. The Patient-Oriented Research Unit occupies the tenth floor of the Northwest Tower. The 22,100 sq ft tenth floor has four conference rooms, 40 faculty offices, 118 staff and fellow cubicles, and various drug storage and copy/work areas.
