

MEDICAL ILLUSTRATION

Nichols Photography (WU Vendor #359627) is now providing the headshot portrait photography previously provided by MedPIC. This service is available every Tuesday and Thursday weekly from 10am-2pm by appointment and other hours as requested in the Medical Portrait Studio located in the lower level of Becker Library. The Faculty Practice Plan will pay the photographic fees for faculty headshots. Cancellations are accepted up to 24 hours before the appointment, however the referring department is responsible for no-show charges. Other groups are also welcome to book headshot photos and will be billed for the photos taken. Nichols Photography can also handle your needs for annual department / division, graduation class, and other group photos, special event photography, and photography services for brochures or posters. Please book all photography by website or phone:
